Speaker

Weeks 1-3:
Liz Hoffman

Youth Pastor/Leader,

I am so excited for Youth Camp 2024! Each year Brittni and I get to host NM Kid's and Youth camps, we are blown away by all the things God does. This year specifically I have felt God speaking the word "EXPECTANCY" over our camps. I believe we can all expect that God is going to do something at our camps that will change the trajectory of so many students lives.

In 2020 God spoke a single vision to my heart, to see the youth and children's ministries of New Mexico UNITE under the banner of Jesus Christ. We are continuing this vision of UNITE every year. My hope is to show students that Jesus is the answer to every problem we face and that we do not do this alone, but TOGETHER!

In this packet you will find information about our 2024 UNITE CAMPS. Take a few minutes to look over the information, consider the opportunities camp will offer your students, and create a plan to ensure maximum participation.

As you plan to bring students to camp, I encourage you to also be strategic about pre-camp and post-camp plans. For many, camp is life altering, but what you do to disciple your students beyond camp will determine its lasting impact. If you would like help creating a strategy, let me know.

All of the information in this packet can also be accessed online at www.NewMexicoStudentMinistries.com. Please duplicate the information and forms as needed.

The most common questions about our camps are answered in the first few pages of this packet. If you have questions or need help with anything related to camp, don't hesitate to contact me.

Camp Resources

Artwork, Promotional Pieces, Promotional Video, Info and Rules, and Camp Policy Manual are all available at www.NewMexicoStudentMinistries.com

COUNSELORS AND CREW

All churches MUST provide counselors proportionate to the number of students they bring. Online application must be submitted asap and no later than 14 days before the first day of camp. Applications submitted late may result in non-acceptance and limitation on the number of campers allowed to attend. See Policy Manual for additional information.

Counselor

For every 1-9 male campers, each church must provide 1 male counselor.

For every 1-9 female campers, each church must provide 1 female counselor.

Campers will not be allowed to attend without adequate counselors.

Camp Counselors are directly responsible for the care and oversight of the campers at all times during camp. Counselors should be trustworthy, of good character, patient, mature Christians, team players and **19 years or older**. Counselors must understand that they are coming to serve all campers, not just those that belong to their church.

Counselor In Training (CIT) *KIDS CAMP ONLY

The role of CIT exists to provide support to Counselors and an opportunity for those 16-18 years old to gain experience to better serve camps as a future Counselor. The CIT will assist the Counselor(s) provided by their church but will not be left unsupervised by the Counselor at any time. A CIT cannot attend camp without a counselor of the same gender.

REC CREW

A strong volunteer group of REC CREW are critical to a successful camp. Housing, meals and a camp t-shirt are provided at no cost. REC CREW will serve in a variety of capacities that may include; recreation activities, dining hall, concession stand, meeting room preparation, cleaning, etc. CREW are not directly responsible for campers but are expected to assist counselors when needed.

REC CREW must be **16 years or older**

REC CREW will have a separate registration found at newmexicostudentministires.com under Youth and Kids camp. (Both links will go to the same registration page)

Medical CREW

Medical CREW should be RN or EMT certified/licensed. Medical CREW are expected to maintain oversight of the medic station, be available as a resource person and advisor in all medical situations and injuries, oversee and dispense camper medications, record treatments given, accompany campers to the emergency room, etc. A team of 1-2 Medical CREW is needed for each week of camp.

****Please promote this need to your churches and look for individuals that may serve as Medical CREW. Our camps are completely dependent upon volunteers and qualified medical CREW are critical to each camp.****

REGISTRATION PROCESS

STEP 1

Request to attend a camp by filling out and sending the “GROUP LEADER AUTHORIZATION & GROUP RESERVATION” form by the options listed below. I encourage you to do this ASAP, we will fill up quickly. WE WILL CAP EACH CAMP AT 320-340 TO ENSURE ENOUGH SPACE FOR EVERYONE. Your Camp week of choice is not approved for you to begin registration until you have received a confirmation email confirming that your group is ready to register. If your Camp of choice is not available, you will be given the option to select a different Camp.

Form Submission Options:

- Send as email attachment to apoper@nmministry.net (This is the quickest way to ensure you get the camp week you are hoping to attend)
- Mail to: Camp 2023, 6640 Caminito Coors NW, Albuquerque, NM 87120
- **Please do not text the form.**

STEP 2

Once you receive an email confirming your group’s reservation, you will need to begin directing parents, Counselor applicants, and CREW applicants to NewMexicoStudentMinistries.com to complete individual online registrations. If you prefer to drive people to your own church website, you may embed a link on your site to the camp registration page.

TIPS

DON'T: Begin promoting the specific week of camp until you have been approved for your requested week and number of spaces.

DO: Begin general camp promotion now! The more notice you can give families to plan financially, the more they will be prepared.

STEP 3

Manage Your Group. You will be provided with a link to view your group’s live registration report at any time. If registrations need to be adjusted or deleted, you can email apoper@nmministry.net to request changes.

DEPOSIT REQUIRED: We have made deposits \$20 per student and it is all payable through Formstack (online registration) as they register with a debit or credit card. This \$20 amount is non refundable and you will not be able to transfer that amount to another student if the current student drops out of camp.

Fees:

- The remaining registration fees, should be collected by the Group Leader/Church, this year you have **two** options to pay final amount.
 - First: Submit as a single check on the first day of your camp for you group (this is the best for us and cheapest option for your church and students)
 - Second: We are allowing churches to pay the final camp total by card through the NMMINISTRY.NET Secure Give, to do this you **MUST PAY TRANSACTION FEES** (if you do not do this I will contact you to pay this amount) this is a convenience fee if you would like to pay for your group online.
 - In order to do this you will go to NMMINISTRY.NET and click GIVE. Once you do that you will click on PURCHASE, then CAMP REG: FEE REQUIRED (Click box @ checkout). Once you have put in your information and amount you will be directed to the final page WHERE YOU MUST CLICK “HELP OFFSET TRANSACTION FEES”. If you have any questions on this please contact me.

GROUP HEALTH CHECK FORM - (ONE FORM PER GROUP TO BE COMPLETED BY COORDINATOR)

It is important that sick campers are not brought to camp. In order to avoid the spread of sickness while at camp, please screen each camper, counselor and CREW on the day of camp prior to traveling to camp. **If a camper is sick and may be contagious, please do not bring him/her to camp.** Participants should be fever free for 48 hours before coming to camp.

Head lice has the potential to spread quickly in an environment such as camp where campers are sharing a dorm/lodge facility. Please screen each camper, counselor and CREW for head lice before traveling to camp. Anyone found to have head lice must be free of lice before they will be allowed at camp.

Some basic information about head lice has been provided to help you in the process of screening.

- Symptoms of head lice include frequent head-scratching and/or the sudden appearance of dandruff-like white flecks in the hair.
- Be sure there is adequate lighting when checking your child's head for lice. A brightly lit bathroom or a flashlight will help you spot any lice or eggs.
- Begin at the nape (bottom) of the neck and work your way up. Lice and eggs can be anywhere on the head but they do prefer warmer places to hide. The lower hairline is a good place to start.
- Using either your fingers or a tail comb, slowly part the hair down the middle, from the crown to the nape of the neck.
- Check the part for eggs on the hair shaft (small white specks attached to the hair shaft) or adult lice. The eggs will be well attached and should only be able to be removed by scraping off the hair with your finger nail.
- Once the first section is checked, part the hair either to the left or right of your original part in very small sections. Check this new parting for eggs and adult lice.
- Repeat this process throughout the entire back of the head, paying extra attention to the warmer spots at the nape, hairline and close to the ears.
- When the entire back portion of the head is complete, part your child's hair from the crown to the front hairline and repeat the process for the front of the hair.

Treatment:

- Remove your child's clothing that they are wearing and all bedding on your child's bed. Wash immediately or your child will risk another exposure. All materials such as jackets, hats, scarves, pillow or blanket that your child may have come in contact with will be infested and must be washed.
 - Wash your hands thoroughly once the clothes are in the washer.
- Go to the drug store and purchase a lice shampoo. Follow the directions given with the product.
- If you have other children in the house check them for lice as well. If you suspect you may be infected have someone check you or use the lice shampoo just to be safe.
 - Be persistent. The treatment may have to be repeated before the lice or eggs are completely killed.

Once those attending camp with your group have been screened to ensure that they are free from contagious sickness and head lice to the best of your knowledge, complete this form. This form is required at check-in.
